Hi Maureen,

The meeting, for the most part, went well. Approximately 20-25 homeowners (35-40 people) attended the meeting. I think almost everybody appreciated the information and just wanted to understand how they would be affected by the development (product, construction timing, price of homes, etc). There were a few people that were upset about the development in general, however, they offered no specific actionable comments or complaints.

Please let me know if you any questions whatsoever. I will see you at the meeting.

Thanks,

Joe Skore

Subject: Meeting with the Neighbors

Hi Joe,

Hope you had a nice weekend. Thank you for the letter informing us that you met with the neighbors. Do you have the results you can share? How many attended, how it went, if any changes will be made as a result of comments or anything like that? It could be in a letter or you might just be ready to share at the meeting, if asked. I am going to include your Nov. 23 letter with the packet for the Commissioners. I will be sending out the agenda and staff report by the end of the week. Any questions, please let us know.

Thank you, and I trust you will be at the meeting?

Maureen
