Just an FYI- Rochester City Manager and Chief of Police are ok with Creekside Promenade, so long as it is approved by Rochester Hills authorities. I will save these emails to my file for reference.

Thanks,

Will Rochester Hills be signing off on the temporary liquor license permit. If they are handling that part and it is going to their council I am fine with proceeding without any issues here in Rochester.

Thank you for sharing the information.

Hello Nik -

We are looking to use our Museum property in new and innovative ways. This year, we are having an afternoon fundraiser behind the farmhouse, by the gazebo and Stoney Creek. Deemed "Creekside Promenade" it will have a string quartet, a display of vintage jewelry, and various stations serving food and drink. At each station, we will display a piece of history (photo, artifact, story) so guests can leisurely connect with community history.

Why am I writing to you? We are going to serve alcohol - a mimosa bar and beer. Since this portion of property is technically in Rochester AND Rochester Hills, we are writing to inform you of the event and see if you need us to go before Rochester City Council for any reason? The event and permit has already been approved by Mayor Barnett, and will go before Rochester Hills City Council on July 25. Attached for reference. We have had other iterations of this event in the past, just on the other part of our property.

Please advise. We are excited to launch this new event, and want to make sure we are transparent with any and all paperwork that needs filed to bring it to fruition. Looking to advertise in our upcoming newsletter.

Thank you in advance!

Best,

Cathy Fitzpatrick, Museum Program Coordinator
