

February 22, 2012

To the City of Rochester Hills, Michigan,

V-WorldWide, Inc. will supply the labor and equipment necessary to resurface the International Velodrome at Bloomer Park, in Rochester Hills, Michigan no matter where the material is purchased.

V-WorldWide has an experience staff of workers necessary to install the new wood/resin panels to insure a safe riding surface.

Below is the estimate of the labor hours and cost per hour needed to remove and replace the surface:

- 1280 worker hours @ \$12. per hr.
- 320 hrs removal of existing panels
- 640 hrs installation of new panels
- 320 hrs painting & finishing

V-WorldWide will donate these services as the local match, for the proposed Recreation Passport Grant", for material on the project.

Total labor costs = \$15,360.00
Equipment costs = \$0.00

Regards,
Dale Hughes
