Legislative File No: 2022-0371 V3

TO: Mayor and City Council Members

FROM: Sara Roediger, Planning and Economic Development Director, ext. 2573

DATE: September 16, 2022

SUBJECT: Acceptance for Second Reading – An Ordinance to Amend Section 138-4.100, Section 138-4.214, Article 8, and Article 13 of Chapter 138, Zoning, of the Code of Ordinances of the City of Rochester Hills, Oakland County, Michigan

REQUEST:

Accept for Second Reading to amend Section 138-4.100 Zoning Districts Established, Section 138-4.214, Article 8 Flex Business Overlay Districts, and Article 13 Definitions of Chapter 138, Zoning, of the Code of Ordinances of the City of Rochester Hills, Oakland County, Michigan.

BACKGROUND:

On April 18, 2022 a six month moratorium became effective to halt review and processing of site plan applications utilizing the Flex Business (FB) Overlay District provisions of the zoning ordinance, after discussions at the Planning Commission and City Council regarding the density of development, building heights and proximity to residential properties permitted by the FB provisions. The purpose of the moratorium was to allow the Planning Commission to hold public meetings and work with Planning staff and their consultant, Giffels Webster, to revise the ordinance to address the concerns expressed, and to evaluate each parcel of land within the overlay district and determine if each parcel should remain in the district or be removed. During the moratorium, the Planning Commission held four worksessions prior to the regularly scheduled public meetings and a public open house, during which numerous public comments were provided. Additionally, a joint meeting was held with the Planning Commission and City Council in July to provide an update of the proposed ordinance revisions and proposed rezonings and to gain Council's input prior to the required public hearing at the Planning Commission on August 10, 2022.

At the public hearing, the Planning Commission forwarded a positive recommendation to City Council, with revisions to the FB Overlay ordinance text regarding the removal of self storage as a conditional use, specific direction with regard to landscape requirements, and the addition of a provision for conservation areas under Places of Interest. The City Council approved the first reading of the amendments with no changes on September 12, 2022.

RECOMMENDATION:

Staff and the Planning Commission recommend that City Council accepts for Second Reading an Ordinance to amend Section 138-4.100 Zoning Districts Established, Section 138-4.214, Article 8 Flex Business Overlay Districts, and Article 13 Definitions of Chapter 138, Zoning, of the Code of Ordinances of the City of Rochester Hills, Oakland County, Michigan.
