INTERESTS/REASONS/QUALIFICATIONS

I am an avid outdoors person. A primary reason for moving to this city was its extensive green space and I believe that adds substantial value to my (and others) lifestyle. As a kayaker since the 1970s, I have paddled on the Clinton River hundreds of times and actively worked for its preservation and enhancement. My 40+ year career in real estate provides knowledge & expertise in land valuation, acquisition and management.
