SUBJECT: Gravel to Asphalt Special Assessment District (SAD) Suspension

I have asked Vice President Morita, Council Member At Large Kevin Brown, and Council Member District 4 Thomas Wiggins to form a Study Group—with select Finance Department and DPS / Engineering Staff—to review our gravel-to-pavement Special Assessment District (SAD) policy. This Study Group's objectives are to identify potential and probable financial implications, ensure effective budgeting oversight exists, and define management parameters to control project(s) development.
