**TO:** Mayor and City Council Members  
**FROM:** Allan E. Schneck, P. E., Director of Public Services  
**DATE:** April 20, 2015  
**SUBJECT:** Adoption of a Street Resolution - Shortridge Ave (Revised)

**REQUEST:**

Adoption of a revised street resolution to place the westerly 151.65 feet of Shortridge Avenue within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.

**BACKGROUND:**

A resolution was previously approved at the March 16, 2015 City Council meeting. After its initial review of the 2015 ACT 51 application, MDOT is requesting that the resolution be modified to identify the Supervisor's Plat #6 Avon Township in lieu of the Master Deed of the Hickory Ridge Condominiums.

A revised resolution is for the extension of Shortridge Avenue that was constructed when a new residential home was constructed in Section 34 within the Hickory Ridge Condominiums of Rochester Hills.

The State of Michigan requires that a street resolution be adopted from the governing body in order to place a public street into the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951 (as amended). In 1999, the State initiated that all public streets, including those within platted subdivisions, must have an adopted street resolution by the jurisdictional road agency.

The revised certified street resolution will need to be returned to the Michigan Department of Transportation (MDOT) to be included with the City Mileage Certification, Act 51 Reports. Upon City Council approval, please provide a certified resolution so we may include the resolution within our City Mileage Certification Reports for mailing this year.

**RECOMMENDATION:**

The Department of Public Services recommends rescinding of the previously approved resolution RES0083-2015 and the adoption of this revised resolution to place the westerly 151.65 feet of Shortridge Avenue within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.
