RE: Baldwin's Brasserie
Class C Quota Liquor License Application –City of Rochester Hills

I own a medical practice in Rochester Hills and have had the privilege of knowing about and dining at Testa Barra and J. Baldwin's in Macomb County. I am highly in favor of approval of issuance of a quota Class C liquor license to Baldwin's Brasserie for the location on the west side of Rochester Road, just north of South Boulevard.

- My medical practice is just north of the location on Rochester Road. We are looking forward to having a high-quality full-service restaurant to service our staff, our patients and our neighbors. The Baldwin Restaurant Group is the gold standard of restaurants that Rochester Hills badly needs. Please use this opportunity to promote this location in Rochester Hills by awarding the available Class C quota liquor license to them.

Thank you for your attention.

Class C Quota Liquor License Application –City of Rochester Hills

I am writing to express my support for approval of an issuance of a quota Class C liquor license to Baldwin's Brasserie for the location on the west side of Rochester Road, just north of South Boulevard.

I own and operate Bolyard Lumber, the business directly next door to the north of Baldwin's Brasserie. Bolyard Lumber has been a proud member of the Rochester Hills community since the early 1980s, and we are passionate about the growth and prosperity of Rochester Hills.

As a business-owner and family-man, myself, my customers, and colleagues are constantly in search for high-quality, full-service restaurants. There is a major void in Rochester Hills for a restaurant such as Baldwin's Brasserie and granting the quota Class C liquor license would only improve our community.

Baldwin Brasserie is the type of restaurant Rochester Hills needs – one committed to quality, experience, service, and family. Please use this opportunity to promote this location in Rochester Hills by awarding the available Class C quota liquor license to it.

Ms. Scott:

I wanted to write you a short note to indicate our significant support for granting a liquor license approval for applicant Baldwin's Brasserie. Jeff and Rose Baldwin are seasoned professionals in the restaurant business. They are held in high esteem by not only their customers, but their competitors! Their two existing restaurants (J. Baldwins, Testabarra) are prime examples of how phenomenal establishments enrich their communities. This would definitely be the case here!

As a significant property owner in Rochester Hills (we own the strip Center on the northeast corner of Crooks and Auburn Road and are under construction with Grace Senior Living on Walton), we sincerely hope that they can become a member of this incredible city.

We would appreciate it if you would share this email with the rest of the council members. Thank you so much in advance for your consideration.

With Warm Regards,
