Legislative File No: 2015-0140

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P.E., Director of Public Services
DATE: April 20, 2015
SUBJECT: Purchase Authorization to Road Commission for Oakland County for limestone on Livernois Road (Tienken Road to Dutton Road)

REQUEST:

The Department of Public Services recommends that City Council approves the payment to the Road Commission for Oakland County for road maintenance along Livernois Road (Tienken Road to Dutton Road) and authorizes the expenditure of an amount not to exceed \$50,000.00.

REASON FOR PURCHASE:

During the FY 2014 budget discussions, City Council included an additional \$100,000.00 to the Major Road Preservation budget for gravel road maintenance improvements. The City of Rochester Hills asked (RCOC) to install limestone aggregate on Washington and Dutton Roads, and agreed to pay the increased cost of limestone versus gravel, as part of their 2014 Road Haul Program.

Based on the positive results of applying limestone on Washington and Dutton Roads, again, in 2015 an additional \$100,000.00 was included in the Major Road Preservation budget to continue making improvements to the condition of RCOC gravel roads.

Since limestone material provides a more durable road surface defense from heavy rains, the condition of Washington and Dutton Road has improved. A limestone aggregate application of 2,000 ton per mile will be placed and graded on Livernois Road, followed with a chloride treatment.
