CANDIDATE QUESTIONNAIRE

NAME Jim Kubicina COUNCIL DISTRICT 2

DATE 9/29/2015 ROCHESTER HILLS RESIDENT FOR 27 YEARS

OCCUPATION Senior Engineer for Delphi Corporation, Troy

INTERESTS/REASONS/QUALIFICATIONS

I enjoy serving our community on the Deer Management Advisory board because I want to participate in our wonderful community by informing citizens of the presence of many deer in our area. My main concern is for the safety of residents by pointing out the seasons and times that deer are most active. The DMAC group has been very influential in helping to keep the deer/vehicle collisions down with respect to previous years. I have been involved in youth sports in Rochester Hills since moving her in 1988. I believe that this experience is helpful in serving on the RARA board in order to better serve our residents with regard to recreation.
