RE: Langeron Charities Inc.

To whom it may concern:

The Lake Orion Fireworks Association (LOFA) was approved as a 501 (c) (4) by the Internal Revenue Service on September 30, 2005 (attached). Our by-laws call for us to raise funds to support the Lake Orion Independence day fireworks display. LOFA raises all the funds for the fireworks by donations from businesses and individuals as well as having various fundraisers throughout the year. Our fireworks display is rated one of the best in the State. LOFA is comprised of all volunteers. There are no paid positions. One of the fundraisers we have done in the past are Poker events which require a Charitable Gaming License from the State of MI. We have had many successful Poker events over the years and in the past we have used Langeron Charities as the supplier of the gaming equipment. They have been very accommodating and organized and have been very helpful to LOFA. Our events with them have been in the City of Troy.

We would highly recommend them to any municipality where they apply for licensure.

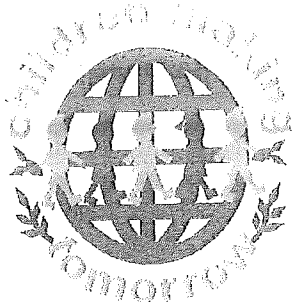

Sincerely,

Carl A. Cyrowski
President, LOFA

To Whom It May Concern.

We are writing this letter on behalf of Children Making Tomorrow, Inc. (CMT). CMT is a tax-exempt organization under section 501 (c) 3 of Internal Revenue Code (Tax ID: 33-1199177). Contributions of Langeron Charities Inc.(LC) makes possible for CMT to continue in its most important work of educational program provides CMT. Their investment in our partnership enables CMT to move forward, broadening the scope of classes and activities we offer. We take pleasure in knowing that those we reach and bring closer to our rich heritage are direct result of LC support. Langeron Charities Inc support us during many our events, such as International Children Drawing Contest 2011 «The World in Which We Live», New Year and Christmass event, LC bought for our classes many supplies (books, computers..) etc. All events took place in city of Walled Lake.

We strongly recommend LC to any municipality where they apply for licensure.
