Rochester Hills City Council/Zoning and Planning Department

I am submitting formal written notice that I want to proceed with establishing a historical designation of my families properties, "The Frank Farm". The property is currently identified as 1290, 1304, 1344 and 1356 East Auburn Road.

Please confirm the date for the city council review. I will be in attendance.

Thanks,

A handwritten signature in blue ink, appearing to read "Anita Holtz", with a long horizontal flourish extending to the left.
