

Oceania Inn opened in July 1972, we have been serving Rochester & nearby neighborhood over 50 years. During the last 50 years, we maintain to provide reasonable & affordable, healthy menu for our customers. Our existing lease is up & we are forced to move to 375 Livonia (the old Panera bread). We will still provide a quality product & good service for the next 20 years (we have a 20 year lease) & we hope to transfer our Class C license to our new location.
