TO: Mayor and City Council Members

DATE: April 24, 2014
SUBJECT: Update of the Name, Purpose and Charge of the Police and Road Funding
Technical Review Committee

City Council established the Police and Road Funding Technical Review Committee at their meeting on July 25, 2007. The Committee was recharged in 2008, and again in 2010 with the task of analyzing Police and Road Funding and providing recommendations for short and long term strategies to City Council.

It is proposed that the Committee Name be changed to the Public Safety and Infrastructure Technical Review Committee, and the Purpose and Charge be updated to reflect a more broad approach to analyzing Public Safety and Infrastructure Funding.
