INTERESTS/REASONS/QUALIFICATIONS

My family lives, works and plays in Rochester. My three children go to school here, my wife, Kim, helps out with the schools, and I work downtown. We have called Rochester Hills "home" for the past 11 years, and we have plans to continue to do so for many years to come. I have helped coach RGC soccer and RHLL baseball. We are a family who enjoys being outdoors, and we take advantage of the local parks and fairs/festivals that the Rochester area offers. I am interested in becoming more involved with the city, as I believe I can make an immediate and positive impact to any committee that I am fortunate enough to be involved with. I am passionate about being engaged within the community, and I look forward to utilizing my skill-set to help maintain and improve the community that me and my family are so proud to be a part of.
