Kim,

The agreement looks good, I have one thing – on page 2, for the signatures, can you replace Mayor McDaniel with Thomas A. Tanghe, City Manager – should be good to go.

Thanks for putting this agreement together!

**Subject:** Clinton River Trail TAP Cost Participation Agreement

Good Morning,

Attached is a draft version of a Cost Participation Agreement between the City of RH, City of R, and the City of AH for design services by SDA for the Clinton River Trail TAP Grant. The agreement has been reviewed and approved by our City Attorney, John Staran.

Please review and advise if further revisions are necessary. Once I've received acceptance from both Rochester and Auburn Hills, it will be presented to RH's City Council for consideration. In order to stay on schedule with the grant timeline, we need to move forward quickly.

If you have any questions or concerns, please contact me (or Allan) asap.

Thank You,

Allan and all,

Auburn Hills is good with our percentage of the cost for the PE and CE work by SDA. Thanks for working that out with SDA, we look forward to working together on this trail project.
