To whom it may concern:

I am writing this letter in regards to the water main that Oakland County is installing on Dequindre Road between Hamlin & Avon Road.

We are building a home on Dequindre Road (Property ID # 23-07-19-100-007),

which is in Shelby Township, and at this point we do not have access to city water. I have talked with the City of Rochester Hills to see if it would be possible to hook up to the water main, and according to them we must request that Shelby Township, review this request and permit us to tap into the water. I have spoken with Dave Miller and upon his advice I am submitting his letter requesting that Shelby Township, review this matter and would grant us the authorization to tap into the water main. Your assistance in this matter is greatly appreciated.

Respectfully yours,
