Dear Planning Members:

D. Brnabic, S. Demstaedt, G. Dettloff, A. Galina, G. Hooper, M. Neubauer, S. Struzik, B. Weaver

Once again you are being asked to approve another conditional use request.

Once again, Emily D'Agostini Kunath is requesting a conditional use. D'Agostini Kunath has requested, more than once, approval for conditional use for this development. When does it stop? I think she should not have tried to develop this location as she is consistently requesting a conditional use. She knew what the land was approved for and it seems she still decided to go ahead. You are enabling her, along with all future development, to request conditional use as this board grants just about every request.

I have asked you before, "What is the use of zoning if you are continually granting exceptions"?

I am opposed to this request. I do not think most people thought alcohol would be served in this development. It backs up to a housing area of individual homes; it just is not the place for it.

Please vote against the request.

I am unable to attend the meeting due to a previous commitment.
