**TO:** Mayor and City Council Members  
**FROM:** Allan Schneck, P.E., DPS Director  
**DATE:** January 23, 2017  
**SUBJECT:** As-Needed Construction Inspection Services

---

**REQUEST:**

City Council is requested to authorize a blanket purchase order for as needed construction inspection services to Spalding DeDecker Associates, Inc., Rochester Hills, Michigan in the amount not-to-exceed \$150,000 through December 31, 2017.

**REASON FOR PURCHASE:**

Due to numerous private development projects proposed to be completed during the 2017 construction season, the Department of Public Services is requesting assistance from Spalding DeDecker Associates, Inc. to perform as needed construction inspection services.

Construction inspection services performed on private development projects are pass-through in nature, meaning that offsetting private developer escrow funds will be charged as revenues to offset the private inspection services expenditures. Services for this blanket will be for private projects only.

The requested blanket amount of \$150,000 is an estimate based on the private development projects that could be constructed this year and the hours associated with that work.
