TO: Mayor and City Council Members
FROM: Ronald Crowell, Fire Chief
DATE: 11/02/12
SUBJECT: Presentation – 10 Years of EMS Service

REQUEST:

The Rochester Hills Fire Department has been providing EMS Advanced Life Support (ALS) and Basic Life Support (BLS) with transport service for the last 10 years. I would like to make a presentation to City Council on the progress and changes that have been made over the 10 year period.

BACKGROUND:

The Fire Department started providing EMS Transport service to the community in 2002 due to the lack of quality private ambulances available and response times. The department has had improvements to our EMS operations over the last 10 years, which has enhanced the service levels and efficiencies provided to our community.

RECOMMENDATION:

The Fire Department requests the City Council review, receive, and support the information and service the Fire Department provides.
