Dear Mr. Balochi:

Ryan J. Deel
District 4

In 2020 the City awarded Decima LLC., a one (1) year contract for the City's Ongoing Services for its SCADA System. The contract term provides for four (1) additional one-year renewal period provided all terms and conditions remain in full force and effect. The current contract for the first renewal term of the contract will expire on 12/31/2022.

Please contact me to advise as to whether you would allow the City to exercise its second one year renewal option to renew the existing contract for Ongoing Services for its SCADA system for an additional one (1) year period and hold their quoted pricing to December 31, 2023.

Yes, I will hold my prices & agree to extend the contract for an additional one (1) year period.

No. I do not wish to hold my prices and do not wish to extend the contract beyond its current expiration.
