OCCUPATION Contracts Specialist for a government contractor. Dealing with government procurement on the federal level through GSA.

INTERESTS/REASONS/QUALIFICATIONS (Specifically list the reasons you are interested in serving on this/these committees and any qualifications you have for being on this/these committees:

I believe it is important to be involved in my local community when I am looking for ways to volunteer my free time after work. In order to truly live in a community you have to be involved in that community, specifically on the local level which is often ignored but has the greatest impact on people's day to day lives. I am passionate about my city and want to contribute my time to making this area an even better place for residents then it already is. I have prior city council legislative experience along with a relevant educational background. This prior experience includes policy analyst work and committee observation for a full time city council in our metro area. Committees play a big role in furthering the goals of the city council and I am very grateful the City of Rochester Hills allows residents to participate in them.
