ROAD COMMISSION FOR OAKLAND COUNTY

PROGRESS CLAUSE

RCOC/DESIGN: DH

Page 1 of 2

RCOC12PC ORG: 8-8-2014

REV: 3/31/2015

a. General

Submit a complete, detailed and signed MDOT Form 1130, Progress Schedule, to the Engineer within seven (7) calendar days of confirmation of low bid by the Department. Lack of timely submittal of MDOT Form 1130 by the Contractor will delay contract award per subsection 102.15 of the Standard Specifications for Construction.

The Progress Schedule shall include, as a minimum, the controlling work items for the completion of the project and the planned dates that these work items will be controlling operations. When specified in the bidding proposal, the date the project is to be opened to traffic as well as the final project completion date shall also be included in the project schedule. If the Bidding Proposal specifies other controlling dates, these shall also be included in the Progress Schedule.

After receiving Notice of Award, start work on the date agreed upon with the Engineer, which date shall be no earlier than **April 15, 2015**. In no case, shall any work be commenced prior to receipt of formal notice of award by the Department.

After award and prior to the start of work, the Contractor must attend a preconstruction meeting with the Engineer. The schedule for this meeting will be determined by the Engineer after submittal of MDOT form 1130. The Engineer will arrange the day, time and place for the preconstruction meeting. The meeting will be conducted after project award and may be rescheduled if there are delays in the award of the project.

The named subcontractor(s) for designated and/or Specialty Items, as shown in the proposal, are recommended to be at the preconstruction meeting if such items materially affect the work schedule.

The Contractor shall be expected to mobilize sufficient labor and equipment to complete the project within the specified time frames.

Failure on the part of the Contractor to carry out the provisions of the Progress Schedule, as established, may be considered sufficient cause to prevent bidding future projects until a satisfactory rate of progress is again established.

b. Expedited Schedule

The entire project shall be completed by **August 1, 2015**.

This project is on an expedited schedule. The Contractor is expected to mobilize sufficient labor resources and equipment and to work the required overtime to maintain the expedited schedule. The contractor shall include any costs associated with maintaining the expedited schedule in the Bid Items for work, as it will not be paid separately.

c. Liquidated damages for failure to meet milestones

Failure by the Contractor to meet interim, final and/or any stage completion dates will result in the assessment of liquidated damages in accordance with subsection 108.10 of the Standard Specifications for Construction. Liquidated damages will be assessed separately and simultaneously for failure to meet interim, final, and any stage completion dates. Liquidated damages will continue to be assessed for each calendar day that the work associated with the interim, final and/or any stage completion dates remains incomplete, even if these days extend beyond the normal seasonal shut down date specified in the Standard Specifications for Construction, unless approved otherwise by the Engineer.

Assessment of Liquidated Damages applies to hourly restrictions included in the Maintaining Traffic Special Provision.

d. Work day, hour, and other work restrictions imposed by local communities

The work hours described may be modified or changed by the Engineer due to Holidays, Special Events, or Traffic Volumes.

- A. Contractors operations shall be limited by local municipality work time, noise, and dust ordinance unless approved by the local municipality and the Engineer in writing.
- B. No work or lane closures, unless approved by the Engineer, shall be performed during Memorial Day, July 4th, Labor Day, Thanksgiving, Christmas, or New Year's holiday periods, as defined by the Engineer.

IN WITNESS WHEREOF, The parties hereto have set their hands the day and year first above written.
