TO: Mayor and City Council Members
FROM: Allan E. Schneck, Director, Department of Public Services
DATE: January 14, 2013
SUBJECT: Underground Utility Repairs and Related Services

REQUEST:

City Council is requested to authorize a shared blanket purchase order for underground utility repairs and related services to Pamar Enterprises, Inc., New Haven, Michigan and Superior Excavating, Auburn Hills, Michigan in the amount not-to-exceed \$100,000.00 through December 31, 2013.

REASON FOR PURCHASE:

The City solicited a Request for Proposals to provide personnel, equipment, materials and expertise to assist with immediate, prompt and scheduled responses for repairs on sanitary sewer, water main and storm drainage systems including detention/retention basins and/or related work. The services include, but are not limited to, late night repair of broken water main, scheduled repair of leaking water main, reconstruction of sanitary manhole(s), cleanout of detention basin, replacement of a collapsed sanitary sewer and removal of a blockage in a storm line. Sewer televising, cleaning and grouting may also be required. The services proposed are projects that City employees would be unable to perform because of time restraints, safety factors and lack of resources for the appropriate equipment.

The purpose of selecting two contractors is to give the City the ability to choose, which contractor will best fit the needs required at the time of the utility repair or related services based on availability, resources and cost.
