Hi Jaymes,

If Rochester is OK with the agreement, I'd schedule it for CC's next meeting on October 6th.

Thanks Kim. When is RH planning on considering the agreement? That will help me with scheduling it for our City Council.

Jaymes,

Yes, there will be a separate agreement for the grant expense. We won't receive the agreement until after the GI is held.

Does RH desire another (separate) agreement to outline the terms for R and AH to reimburse RH for the grant expense, both our local share and the portion being funded by the grant (but "fronted" by RH, since the grant is a reimbursement)?

Thanks

Jaymes

Subject: Clinton River Trail TAP Cost Participation Agreement

Good Morning,

Attached is a draft version of a Cost Participation Agreement between the City of RH, City of R, and the City of AH for design services by SDA for the Clinton River Trail TAP Grant. The agreement has been reviewed and approved by our City Attorney, John Staran.

Please review and advise if further revisions are necessary. Once I've received acceptance from both Rochester and Auburn Hills, it will be presented to RH's City Council for consideration. In order to stay on schedule with the grant timeline, we need to move forward quickly.
