On behalf of our Board of Directors, our staff and the families we serve, I would like to take this opportunity to thank you for your donation to the Clothes Closet.

As we work to assist struggling families throughout the greater Rochester area, the Clothes Closet makes a significant difference in the lives of many, especially the children in these families. Our career corner helps those looking for or starting a new job, our birthday room provides a new birthday gift to a child who may not otherwise receive a gift, our back to school program provides school supplies for a child starting a new school year and our monthly client visits allow families to get the clothing and household items they need for their growing children as they address their other financial challenges. Your donations directly impact these families and we could not carry out this work without your support.

Please join us in our mission to continue to address the needs of our struggling neighbors. Sign up for our online newsletter at www.eepurl.com/c_MIs (make sure you capitalize MI) and you'll receive informational updates on how your donation is making a difference.

We are extremely grateful for the confidence you have shown in Neighborhood House and truly appreciate your support and generosity.

LAKE ORION FIREWORKS ASSOCIATION, Inc

Established 1990

RE: Langeron Charities Inc.

To whom it may concern:

The Lake Orion Fireworks Association (LOFA) was approved as a 501 (c) (4) by the Internal Revenue Service on September 30, 2005 (attached). Our by-laws call for us to raise funds to support the Lake Orion Independence day fireworks display. LOFA raises all the funds for the fireworks by donations from businesses and individuals as well as having various fundraisers throughout the year. Our fireworks display is rated one of the best in the State. LOFA is comprised of all volunteers. There are no paid positions. One of the fundraisers we have done in the past are Poker events which require a Charitable Gaming License from the State of MI. We have had many successful Poker events over the years and in the past we have used Langeron Charities as the supplier of the gaming equipment. They have been very accommodating and organized and have been very helpful to LOFA. Our events with them have been in the City of Troy.

We would highly recommend them to any municipality where they apply for licensure.

Sincerely,

Carl A. Cyrowski
President, LOFA
