**Re: Traffic Signal Agreement  
Dequindre Road & W Utica Road / Melville Drive (Co. #1377)**

Dear Mr. Shumejko,

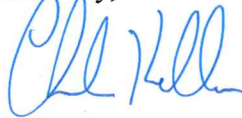

A new traffic signal installation that will take place with the Dequindre Road project next year at the above mentioned location. The installation of this traffic signal was shown to be warranted and included in the Environmental Assessment document that was previously prepared for this project.

As we discussed, the City of Rochester Hills will assume 25% of the future maintenance costs for the signal based on Melville Drive being located within the city limits.

Enclosed are four copies of the agreement needing execution to be used as originals. Please have all copies signed by the appropriate official and return them to us for further processing. In addition, please provide copy of a City Resolution in support of this agreement. A fully executed copy of the agreement will be returned for your records.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Charles Keller, P.E.
