Re: Appointment of a Planning Commission Rep to the Citizens Pathway Review Committee

The nine-member Citizens Pathway Review Committee consists of six citizens appointed by the Mayor and City Council; one Planning Commission member appointed by the Planning Commission; one administrative representative appointed by the Mayor; and one Rochester Hills Government Youth Council Representative.

The Committee was established by City Council in 2007 and, as outlined on the City's website, is responsible for reviewing pathway construction and major rehabilitation projects and recommending priorities to City Council among other policies, standards and goals related to pathways.

Nicholas Kaltsounis was appointed as the Planning Commission Representative to this Committee for 2022 at the February 15, 2022 meeting, however his term on the Commission ended March 31, 2022. The Planning Commission is being asked to confirm a member for the remainder of 2022.

**MOTION** by \_\_\_\_\_, seconded by \_\_\_\_\_, the Rochester Hills Planning Commission hereby appoints \_\_\_\_\_ to serve as its representative to the Citizens Pathway Review Committee for a term to expire December 31, 2022.
