Subject: Green Space Committee

Gerry,

I need to back-off and resign from the green space committee.

I already had a commitment of bowling with my friends on Tuesday evenings.
I have been with these guys for 20+ years and I reevaluated my scenario and I want to continue bowling.

I was also put on the traffic committee that also meets on Tuesdays.

Therefore, I must resign to make myself happy and not feel torn between the two events.
Sorry, and thank you for the chance to help.
Tom
