Legislative File No: 2023-0021

TO: Mayor and City Council Members

FROM: Bill Fritz, P.E., Director Department of Public Services

DATE: February 6, 2023

SUBJECT: Trackless Municipal Tractor MT7 and Attachments

REQUEST:

City Council is requested to authorize the purchase of one (1) Trackless Municipal Tractor MT7 and Attachments in the amount of \$208,401.00 from MacQueen, LLC, DBA Bell Equipment, Lake Orion, Michigan utilizing the State of Michigan MiDeal Extended Purchasing Program.

REASON FOR PURCHASE:

The discount received by utilizing the State of Michigan contract for construction equipment is 5% off MSRP for the Trackless vehicles and attachments. The City's market research confirms this discount is consistent with other national contracts for the Trackless vehicles and best value to the City.

This municipal tractor will be used for sweeping operations in the summer, trimming back over growth along roads and pathways, and snow clearing in the winter. It is especially useful for the Auburn Rd corridor and clearing pathways where this machine saves time, damage to our pickup trucks, offers safer operating conditions, and better visibility for our operators. These machines are built specifically for the rigors of this type of work, we have had a previous generation Trackless that has proven to be very rugged and reliable.
