Subject: GSAB Resignation

To: Megan Stencel <stencelm@rochesterhills.org>

Hello, Megan! I hope you are having a good week.

Megan, it is for personal reasons and with deepest regret that I hereby resign from my position on the Rochester Hills Greenspace Advisory Board. I have enjoyed my short tenure on this great board, but my current family issues make it impossible for me to continue at this time. I am not available to help with the Second Saturday activities and will miss more meetings than I am able to attend. I am not a person who is comfortable not being able to pull my fair share of the load so to speak.

I know there are others who are interested in serving on this board so I rest in the comfort of knowing my seat will not remain vacant for long.

I do hope that I will be considered for service to our beautiful community at some time in the future. Please share this note with anyone who needs to know.

Thank you,
Dianah Foster
