Legislative File No: 2020-0311 Version 2

TO: Mayor and City Council Members

FROM: Mike Viazanko, Director Building/Ordinance/Facilities

DATE: October 10, 2022

SUBJECT: Increase to Blanket Purchase Order for Fire Suppression and Fire Alarm Plan Review and Inspection Services

REQUEST:

City Council is requested to authorize an increase to the contract/blanket purchase order for Fire Suppression and Fire Alarm Plan Review and Inspection Services to Fire Safety Consultants, Inc., Elgin, Illinois in the amount of \$68,000.00 for a new not-to-exceed contract amount of \$318,000.00 through a new contract end date of December 31, 2022.

REASON FOR PURCHASE:

The City of Rochester Hills solicited proposals from qualified and experienced firms to assist the Building Department with fire suppression and fire alarm plan review and inspection services for commercial and industrial projects in accordance with the State of Michigan Construction Codes utilizing the MITN system. Three proposal responses were received. A committee consisting of staff from the Building Department reviewed the proposals and recommended award of the contract to Fire Safety Consultants, Inc., Elgin, Illinois based on their qualifications and experience, capacity to perform the work, ability to meet City turnaround requirements and overall best value cost proposal, receiving City Council approval of the award recommendation at the August 10, 2020 meeting.

The request for the addition of funds and extension of the contract end date is to allow the City time to finalize the solicitation process for these services. With approval of the additional funds, and contract extension this shall provide sufficient time to complete our process.

The City has been doing an increased number of plan review and inspections services for fire suppression and fire alarms, but is comfortable with the increase request and timeframe. The plan review and inspection fees are reimbursed to the City by commercial and industrial developers and is a pass-through cost.
