Re: John Staran Metro Act and Bilateral Permit Approval for  
MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services

Tina: Verizon Access Transmission Services has applied for the above referenced permits through the DPS/Engineering Department. I met with John Staran on June 22 and August 14 and have been in correspondence with him via email regarding these applications and received final written approval from him on August 28, 2017.
