---

February 28, 2020

Attn Rochester Hills City Council:

As part of our overall fundraising vision and plans for the fiscal year, the Avondale GATE PTO would like to hold a silent auction and raffle as part of our International Night to be held May 15, 2020 in our school gymnasium.

The fundraising portion of the evening would include silent auction items obtained through generous community donations and in an effort to ensure all members of our community would have access to our prizes, there will also be a raffle element, with raffle tickets priced at one dollar.

The raffle items in total will be valued at less than \$500. That is considered a small raffle by the State of Michigan. Items to be raffled off include ice cream with your teacher, principal for a day, several small dollar value gift cards (mostly restaurant) and passes for events such as open skate.
