Legislative File No: 2022-0338

TO: Mayor and City Council Members
FROM: Bill Fritz, P.E., Director, Department of Public Services
DATE: August 15, 2022
SUBJECT: Purchase Authorization for One (1) Chipper and Attachments

REQUEST:

City Council is requested to authorize the purchase of one (1) Chipper and Attachments in the amount of \$64,500.00 from Bandit Industries, Remus, Michigan.

REASON FOR PURCHASE:

The City issued a Request for Proposals for the chipper with attachments utilizing the MITN system. The solicitation was distributed to fifty-nine potential vendors and two proposal responses were received. A committee comprising of staff from DPS Fleet and Parks and Natural Resources evaluated the responses. Based on the committee review and equipment demonstrations, award is recommended to Bandit Industries, Inc. as best value. The Bandit chipper proposed meets specifications and was also the lowest cost.

The equipment is used by Natural Resources to dispose of tree trunks and limbs produced during tree removal and while trimming trees for maintenance, and for emergency services to clean up downed trees after storms. This is a scheduled replacement of our 2011 chipper that has surpassed its expected replacement schedule.
