Legislative File No: 2015-0530 Version 2

TO: Mayor and City Council Members

FROM: Scott Cope, Director of Building/Facilities

DATE: November 13, 2017

SUBJECT: Increase to Blanket Purchase Order for Fire Suppression and Fire Alarm Plan Review and Inspection Services for 2016 and 2017

REQUEST:

City Council is requested to authorize an increase to the contract/blanket purchase order to Fire Safety Consultants, Inc., Elgin Illinois, as primary vendor, and Fire Savvy Consultants and Services, L.L.C., Commerce, Michigan, as secondary vendor, for fire suppression and fire alarm plan review and inspection services in the amount of \$25,000.00 for a new not-to-exceed amount of \$225,000.00 through December 31, 2017.

REASON FOR PURCHASE:

The City of Rochester Hills solicited proposals in 2015 from qualified and experienced firms to assist the Building Department with fire suppression plan review and inspection services for commercial and industrial projects in accordance with the State of Michigan Construction Codes. The plan review and inspection fees are reimbursed to the City by commercial and industrial developers.

Proposals were reviewed by a Building Department evaluation team, who recommended award of the contract to Fire Safety Consultants to perform the required services based on qualifications and experience of staff proposed to work on the City's projects and as providing best value for the City. Fire Savvy Consultants and Services, L.L.C., Commerce, Michigan was selected as secondary vendor, for back-up services. City Council approved this recommendation at its December 2, 2015 Regular Meeting.

The requested increase is due to the large volume of projects under construction in the City. Please note that this is a pass through cost that is paid for by the fire suppression or fire alarm contractor receiving the services.
