RE: Renewal of Sign Permit # PS-2007-0180

Dear Sirs:

Enclosed is our application to renew our sign permit for our M59 & Crooks Industrial Park. I have enclosed 8 copies of the following:

- Application for renewal
- (1) Required Filing Fee of \$300.00
- Site drawing for sign location
- Aerial view with sight lines
- Aerial view with sight lines and dimensions
- Rendering of the sign and measurements. It is same size and location of what is there now. There will not be any illumination for this sign.
- City of Rochester Hills Traffic Safety Division sight distance chart. We are within these requirements.
- Property liability insurance for Avon Star LLC / 59 Avon LLC
- Copy of our existing sign permit PS-2007-0180 showing renewals for past 5 years.

This sign is to advertise the M59 & Crooks Industrial Park itself since this industrial park does not have any visibility on Crooks Road. As before, City of Rochester Hills approved this sign placement on the City of Rochester Hills right of way.

If there are any further questions, I can be reached at 248-860-9941 or contact Linda Oak at 248-331-0214.

Sincerely,

Avon Star LLC
