OCCUPATION Human Resources Specialist

INTERESTS/REASONS/QUALIFICATIONS

As I am nearing the end of my Army Reserve career, I am looking forward to new opportunities and interests to engage me and build my relationships within the community. I would like to continue serving in a new capacity - a little bit closer to home. I believe that my education, military service, background in human resources (along with my PHR) would make me an excellent addition to a Rochester Hills Boards, Commissions, or Committees. I marked some boxes above that interest me, but I would consider any open position to start getting involved.

PERTINENT EDUCATION

BS in Business Administration, Wayne State University; AA in Business Management, Oakland Community College; Professional in Human Resources (PHR) Certification, Human Resources Certification Institution (valid thru December 2021).

HOBBIES/INTERESTS

I enjoy building relationships all over the US in my Army Reserves position and look forward to bringing that sense of involvement to the local community through continued service. I currently serve as an Emergency Preparedness Liaison Officer (EPLO) for Michigan, Defense Coordinating Element, FEMA Region 5. I was able to deploy to Puerto Rico in this position in support of hurricanes Irma and Maria processing requests for DoD assistance to FEMA, other federal agencies, and the Commonwealth.

ADDITIONAL INFORMATION

Along with my almost 20 years of uniformed military service; I also am able to serve as a federal civilian employee for 15 years. I am currently a HR Specialist with the Department of Army and have held other civilian positions with the Army Reserves and also Transportation Security Administration.
