SUBJECT: Request for Acceptance of the 2017 Annual Report for the Planning and Economic Development (PED) Department

REQUEST:

Acceptance of the 2017 Annual Report for the Planning and Economic Development

BACKGROUND

Section 125.3819 of the Michigan Planning Enabling Act ([Public Act 33 of 2008, as amended](#)) requires the Planning Commission to prepare an annual report documenting its operations and status of planning activities. The PED Department has expanded the scope of the report to further document the activities of all of the boards and commissions staffed by the PED Department and the administrative plan reviews of the PED staff. By doing so, the report provides a more complete picture of the Planning, Zoning and Economic Development activities in the City. The attached report fulfills the state obligation for 2017 and provides information on future goals and priorities planned for 2018. This report also completes one of the required actions needed for certification by the MEDC to become a Redevelopment Ready Community (RRC).

At its February 20, 2018 meeting, the Planning Commission accepted the 2017 Annual Report for the PED Department and forwarded it to City Council for review. A resolution for your consideration has been included.
