Hi John,

I think that the email dated April 20, 2020 you just resent was for the PUD Agreement, not the First Amendment. I don't see an email approving that. The email you sent references The Groves PUD Agreement, but this (attached) is between RU and Rochester Hills.

Am I wrong? At any rate, I do only have the one email, which references a revised draft, but we only received the amendment one time.

Thanks,  
moe

Mo: That's my bad. Had I looked more carefully, I would have realized you were sending me 2 different documents – not the same document. Anyway, I have reviewed the First Amendment and do not have any changes or objection to it.
