Legislative File No: 2009-0033 Ver.3

TO: Mayor and City Council Members
FROM: William Windscheif, GSAB Chairperson, 248.375.2335
DATE: June 15, 2009
SUBJECT: Recommendation and report on Clear Creek No. 5 parcel

REQUEST:

Members of the Green Space Advisory Board (GSAB) would like to make a presentation and recommendation regarding the acquisition of Clear Creek No. 5 property. The parcel consists of approximately 39.3 acres and is located on the southeast corner of Sheldon and Mead Roads. It is part of Parcel No. 70-15-02-200-015.

The parcel was reviewed based on comparisons made to criteria related to the protection of water resources, habitat protection, steep slopes, woodlands, recreation value and natural features. In addition, its contribution to the Oakland County's Hub & Site Green Infrastructure Network was considered as well as its support of the GSAB vision. The recommended parcel also supports the City's Master Recreation Plan.

If City Council concurs with the GSAB recommendation, the next step would be to authorize the Administration to assemble a negotiating team to begin the acquisition process. A resolution for your consideration has been included.

Please feel free to contact me for any questions.
