Legislative File No: 2015-0261

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P.E., Director of Public Services
DATE: June 29, 2015
SUBJECT: Interlocal Service Agreement between City of Auburn Hills and City of Rochester Hills for Emergency Water Connections

REQUEST:

That the Rochester Hills City Council approves the Interlocal Service Agreement between the City of Auburn Hills and the City of Rochester Hills for Emergency Water Interconnections and authorizes the Mayor to execute the contract on behalf of the City.

BACKGROUND:

An interlocal agreement between the Cities of Rochester Hills and Auburn Hills was established for the purpose of outlining the terms in which each party will provide temporary water in times of an emergency. The location of the emergency water interconnections between the two cities are depicted in Exhibit 1 of the agreement.

Three of the four connections along the boundary of the cities are currently established, and a plan is in process to connect the water mains along Tienken Rd. at the city limits. A resolution approving the agreement between the two cities is needed before approvals for permits will be issued from the Michigan Department of Environmental Quality.

RECOMMENDATION:

That the Rochester Hills City Council approves the Interlocal Service Agreement between the City of Auburn Hills and the City of Rochester Hills for Emergency Water Interconnections and authorizes the Mayor to execute the contract on behalf of the City.
