

Notes:

1. Exterior features/style will include at least 65% brick coverage with a traditional and/or French country style theme
2. Masonry materials will include brick, cultured stone, and cut limestone
3. The colors represented in the artistic rendering correctly reflect general color theme of the development and are similar to most other newer sub-divisions in Rochester Hills
4. The houses in the development will substantially and material match many of the newer developments in Rochester Hills – i.e. Vista of Rochester, Legacy, etc.
