Legislative File No: 2017-0091

TO: Mayor and City Council Members

FROM: Allan E. Schneck, P.E., Director of Public Services

DATE: March 13, 2017

SUBJECT: Shoulder Right-of-Way and Pathway Mowing Services for the Department of Public Services

REQUEST:

City Council is requested to authorize a blanket purchase order/contract to Brantley Development, LLC., Inkster, Michigan for shoulder right-of-way and pathway mowing services in the not-to-exceed amount of \$50,000 to expire December 31, 2017 and further authorizes the Mayor to execute a contract on behalf of the City.

REASON FOR PURCHASE:

Request for Proposals were solicited utilizing the MITN system and evaluated by DPS/Engineering staff with award recommended to Brantley Development, LLC., Inkster, Michigan based on best value to the City in terms of work experience and best value cost proposal. The City has utilized Brantley Development, LLC., in the past for their ordinance compliance mowing services and has been satisfied with their work. The Request for Proposals called for an initial one-year contract term with four (4) additional one-year renewal options, provided all terms and conditions remain the same. City Council at their April 11, 2016 City Council meeting awarded the contract to Brantley Development, LLC. Brantley performed well, during their first year providing this specific service to the City and Brantley Development, LLC has agreed to exercise the first renewal option under the same terms and conditions. It is recommended that the City exercise its first year of their four (4) one-year renewal options.

The Department of Public Services utilizes the expertise and specialized equipment of a lawn maintenance contractor for boulevards, pathway and shoulder mowing, as well as to maintain adequate site distance along roadways.
