ROCHESTER HILLS, CITY OF

1/1/2015

Form 20A Rev. 7-10

11-18-14

CONDITIONS OF PERMIT

1. PRECAUTIONS: During the progress of any construction undertaken within the limits of the said highway in pursuance hereof, the Licensee shall provide all barricades, signs, lights, watchmen and flagmen as may be required for the safety and convenience of the public in accordance with the Michigan Manual of Uniform Traffic Control Devices, permit attachments and/or as shall seem advisable to this Board. Traffic shall be maintained at all times unless otherwise indicated hereon by special endorsement of the Board's duly authorized representative. A copy of this permit and the application therefor shall be kept on the site during the course of any construction pursuant hereof by the Licensee or his duly authorized agent.

ACCIDENT LIABILITY AND INDEMNIFICATION: "The said Licensee shall be liable for all damages to either persons or property or both resulting from or arising out of accidents which may occur as a result of the proposed operations in pursuance hereof. The licensee agrees to save harmless, indemnify, represent and defend the Board and the County of Oakland from any and all claims for bodily injury or property damage or any other claim relating to or arising out of the operations, use or continued existence of the work which is the subject of this permit."

3. BONDS AND INSPECTION FEE: The Licensee shall before or at any time during operations upon demand of this Board, furnish a cash deposit and/or surety bond in such an amount as deemed necessary by this Board to cover damage to the highway. This Board may retain any portion of the cash deposited herewith which in the opinion of this Board shall be necessary to cover any expense for damage through the granting of this Permit and the cash deposit or the balance thereof shall be returned to the Licensee upon completion of the work to the satisfaction of this Board. Surety bonds shall be kept in effect by the Licensee until released by this Board. The Board may also require the deposit of an estimated inspection fee to cover the Board's cost of inspecting the work. If the inspection cost exceeds the inspection fee, the Licensee shall pay the additional cost. If the inspection fee exceeds the inspection cost the balance will be refunded upon permit release.

4. HIGHWAY: All damage to drainage structures, roadbeds, trees, payements and other highway appurtenances shall be repaired at expense of the Licensee. No portion of the pavement of any highway shall be disturbed without prior permission of this Board. Upon completion of any work within limits of the highways, restoration shall be such that it will provide a condition equal to or better than the original condition and in accordance with

current Board: Standards and Specifications.

5. EXCAVATION AND BACKFILL: Excavations shall be no larger than necessary and no closer to the pavement than necessary to carry on the work. The Licensee shall assume the full responsibility for preventing the caving, loss or settlement of foundation material supporting the pavement and all other highway installations such as sewers, culverts, etc., and shall provide and place all sheeting, shoring and bracing necessary for such protection. Backfilling shall be done as soon as possible with materials and methods approved by this Board. Backfill shall be thoroughly compacted and left level in a neat condition. Compaction will be subject to check by the Controlled Density Method. Future settlements shall be repaired at the expense of the Licensee.

6. CROSSING UNDER ROADS: All crossing under roads shall be made by Tunneling or Jacking and Boring unless another method is specifically approved by this Board. When open-cut methods are approved, the road surface shall be replaced in accordance with current Board standards. All pavement removed shall be replaced with a temporary hot mixed bituminous surface immediately upon completion of the backfill. Permanent pavement replacement shall be made at a later date by this Board unless otherwise provided and all expense of same shall be charged to and paid for by the

7. TAPPING COUNTY ROAD SEWER: Any rights granted herein to connect into any County Road sewer are revocable at the will of this Board and the Licensee expressly walves any right to claim damages or compensation in case permit therefor is revoked.

 TREES OR SHRUBS: The Licensee must apply for and receive a forestry permit for all work involving trimming, removal or tunnelling of trees or shrubs occurring within the right of way.

9. DRIVEWAYS AND STREET APPROACHES: The Licensee shall furnish all materials including culverts specified herein and shall install same in accordance with the requirements of this Board. Curb cuts for driveways are to be left one (1) inch above existing gutter grade. Curb cuts and driveway approaches including their radii shall not extend in front of property other than that owned or controlled by the Licensee.

DISPOSAL OF GROUND WATER: Road side drainage systems-open ditches, storm sewers, etc.—shall not be used for disposal of water pumped from below the surface of the ground unless specifically allowed by this Board.

11. SIGNS: All traffic control and street name signs which must be removed during construction shall be immediately reset in a temporary position as directed.

12. WORK WITHIN CORPORATE LIMITS OF CITIES, VILLAGES, OR TOWNSHIPS: Licensee shall be responsible for securing, and shall secure, any other permits necessary or required by law from cities, villages, townships, corporations or individuals.

 SOIL EROSION AND SEDIMENTATION CONTROL: This permit does not relieve the Licensee of any responsibility of obtaining a permit from the County Enforcing Agency in accordance with Act 347 of Michigan Public Acts of 1972.

14. VIOLATION: The violation of any conditions by the said Licensee shall constitute a revocation hereof and shall operate to suspend and annul any and all rights acquired by the said Licensee under the terms hereof.

15. REVOCATION OF PERMIT: It is to be understood that the rights granted herein are revocable at the will of this Board and that the Licensee acquires no rights in the highway and expressly waives any right to claim damages or compensation in case this permit is revoked.

16. TIME LIMIT AND PROGRESS: This permit is valid for work within the right of way only during the period shown on the face hereof. If the work cannot be done during this period, this Board, at its discretion, may grant an extension of time or may reschedule the work period. The Licensee shall conduct his operation without undue hindrance to the traveling public or adjacent properly owner, and shall complete the project and restoration of the highway as soon as possible within the allotted time.

17. COOPERATION WITH OTHERS: The issuance of this permit does not give the Licensee an exclusive right to work within the area covered by this permit. The Licensee shall cooperate with others and shall conduct his operations in such a fashion as to cause a minimum conflict with and/or inconvenience to others working in the area. The work of others does not relieve the Licensee of his responsibility to complete the work in accordance with the permit.

18. NOTIFICATION OF START OF WORK: The Licensee shall give notice to the Board at least two (2) working days prior to commencement of operations covered by this permit.

19. NOTIFICATION OF COMPLETION OF WORK: The Licensee shall notify the Board in writing when the work is completed and request release of the

SUPPLEMENTAL SPECIFICATIONS: The supplemental specifications appearing on the back of the application for this permit, copy attached, and other attached supplemental specification are herein incorporated as part of this permit.
