Legislative File No: 2017-0505

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P.E., Director of Public Services
DATE: October 23, 2017
SUBJECT: Establish a 40 MPH Statutory Speed Limit on the Gravel Portion of Livernois Road

REQUEST:

Request City Council approval of a resolution of support for the Road Commission for Oakland County (RCOC) to establish the statutory speed limit as 40 miles per hour (mph) along the gravel portion of Livernois Road between Tienken and Dutton.

BACKGROUND:

At the request of the City of Rochester Hills and the RCOC, the Michigan State Police performed a speed study on Livernois Road between Tienken and Dutton. The speed study was conducted during the afternoon of July 6, 2017 and the resulting 85th percentile speed was determined to be 41 mph. Thus, a legal posting of 40 mph can be supported for the gravel portion of Livernois Road. The Road Commission for Oakland County is requesting a resolution from the City of Rochester Hills asking them to move proceed with the installation of the new 40 mph speed limit signs.

RECOMMENDATION:

City Council approve a Resolution of support for the Road Commission for Oakland County to establish the statutory speed limit of 40 MPH along the gravel portion of Livernois Road between Tienken and Dutton.
