

At its May 2, 2018 meeting, the Water Sewer Technical Review Committee adopted the following Resolution:

Offered by Hurst seconded by Hocksch

Whereas, the Water and Sewer Technical Review Committee supports the concept that expenses of the water and sewer system must be supported by revenue from the users of the system and support the concept to encourage timely payment.

Therefore, be it resolved, that the Water and Sewer Technical Review Committee recommends an increase in the Late Penalty charge from the current 2% to 5%.

Therefore, be it further resolved, that the Water and Sewer Technical Review Committee recommends authorizing the Chief Financial Officer the ability to waive the most recent Late Penalty charge under conditions which assure the City that the customer's future payments will be made on time. The Water and Sewer Technical Committee further recommends that City Council adopt ordinance changes for the billing period beginning July 1, 2018 as recommended by their committee.
