RE: Varishy Senior Living, Licensed Assisted Living  
located at 1527 John R Road, Roschester Hills, MI 48307

I am submitting a request for a conditional use from a 6 person single family unit to a 12 person multifamily unit. This change will allow Varishy Senior Living to provide additional residency to our aging community; a much-needed service. The business has been operating since 2013 with no complaints or grievances from the surrounding neighbors. With these changes, the additional people will be living at our home so we will continue to be a quiet and cordial business operating within the neighborhood without any loud noise or other activities that would disturb the neighbors. With all the residents being homebound, living and cared for at the residence, there will not be an increase of traffic or vehicles at the home.

Please advise me on the approval of the requested changes, so we can move forward.

Regards,
