In Re: FY 2020 – FY 2022 OPC Budget

July 11, 2019

On behalf of the Older Persons' Commission Governing Board (OPC Board) we are pleased to present the FY 2020 – FY 2022 OPC Budget which was adopted by the Board on this date. We believe the attached budget meets the programming needs and wishes of OPC's clients. More importantly, it utilizes taxpayer revenue in an efficient and effective manner. Our goal is to enhance the lives of citizens 50 years and older making our communities an attractive place to live, work, do business, and play.

The FY 2020 OPC Budget, which begins October 1, 2019, totals **\$4,665,100**, an increase of **\$148,600 (3.3%)** from the FY 2019 budget. This change primarily reflects a 2% general wage increase for OPC employees, additional contracted instructor services required to meet expanded demands for enrichment & arts and fitness & aquatics classes, increased transportation expenditures in reaction to increasing demands. There are NO new positions, employee hour increases, or reorganizations included in the FY 2020 Budget. However, in February the OPC contracted for a compensation / organizational study, with recommendations due later this summer. Funds have been earmarked to support whatever recommendations the OPC Board wishes to adopt.

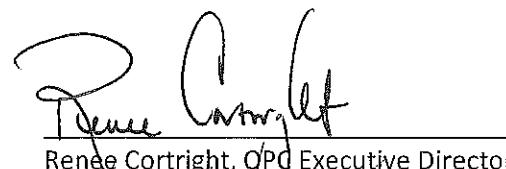

In addition, the FY 2020 Budget maintains the OPC Board's practice of matching operating expenditures to operating revenues, thus there is no operational shortfall. However, in continuing the practice begun last fiscal year, the FY 2020 Budget does include the planned use of fund balance to support the OPC's capital needs (which are one-time expenditures). By the end of the triennial budget period (FY 2022) fund balance will be 30.79% of expenditures, well above the 25% of expenditures which is the fund balance floor set by the OPC Board.

Additional details are located in the attached packet. Should you have any questions, please feel free to contact Executive Director Renee Cortright, Financial Director Tim Soave, or a member of the OPC Board.

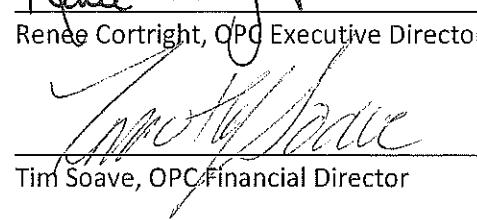

Thank you for your continued support of the OPC!

Stuart Bikson, OPC Board Chair

Renee Cortright, OPC Executive Director

Tim Soave, OPC Financial Director

BUDGETARY HIGHLIGHTS

REVENUES

General Approach: The revenue recommendation is based upon known or reasonably anticipated factors, leading to a higher degree of certainty of collection. By its nature, the recommendation is realistic, but more "conservative" than "expansive." If done correctly revenue collections in total should at least match the budget recommendation, if not exceed that recommendation.

Donations:

- Most donation budget amounts correspond to the FY 2019 budget, even though forecasted FY 2019 revenue is higher than budget. In many of these situations there are one-time receipts for which it is not reasonable to anticipate repeating in the next years. Historical donation amounts were used to build the recommendation for Performing Arts, Enrichment & Arts, and Transportation (all lower than FY 2019 forecast).
- The recommended reduction in Nutrition donation reflects lower congregate numbers and the recommended reduction in Charity Event sponsorships reflects the change in event format.
- Building Fund donations (general OPC donations) are recommended to increase based upon historical trends.

Fees:

- Building Rental increase from the FY 2019 budget reflects charging of rent to MSO for use of the facility for both the winter and summer games.
- Adult Day Service fee recommendation increased from FY 2019 budget to match recent (two year) history.
- Increase in Fitness & Aquatics fee budgetary increase reflects an implemented rate increase for personal training.
- Increased Enrichment & Arts fees reflecting increased activity (compared to budget, less than actual).
- Transportation fee recommendation decreased from FY 2019 budget based on recent historical experience.
- Charity Event fee recommendation reduced due to change in event format reducing the price of each event ticket and the number of tickets available for sale. (Note: Charity Event expenses are also recommended to decrease significantly).

Grants:

- Nutrition grant funding is anticipated to increase from the FY 2019 budget due to increased funding from the federal government. However, the recommendation is less than the FY 2019 forecast due to anticipated reduction in congregate dining, which is a nationwide concern.

Miscellaneous:

- The recommended budget recognizes the increased investment earnings received by the OPC which is based upon establishment of an interest baring Huntington checking account.

Millages:

- Recommended budget is based upon:
 - o Current millage rate for FY 2020 provided by the communities;
 - o Increases in property values provided by the Oakland County Equalization Division and confirmed by the communities; specifically - Oakland 5.7% increase, Rochester 6.4% increase, Rochester Hills 4.78% increase;
 - o FY 2021 and FY 2020 recommendation assumes renewal of .25 mills in August 2020; (effecting FY 2021 and FY 2020) revenue.
 - o Increase of 3.0% in property values per year.

Reimbursements:

- Elimination of MSO reimbursement.

EXPENDITURES

Positions:

- No new positions currently recommended. The OPC has contracted with McGrath HR to conduct compensation and organization study, once the study is completed, additional position changes may be recommended.
- In line with the new Michigan Sick Leave act, part-time employees have been limited to 24 hours per week except for seven (7) positions, which have been budgeted for over 25 hours a week for a number of years.

Salary / Wages:

- A 2% general salary increase has been included in the FY 2020 recommendation, any additional recommendation will be deferred pending completion of the compensation study.
- An amount equal to 2% per year (from the current FY 2019 wage amount) has been added to FY 2021 and FY 2022 as a wage increase place marker

Fringe Benefits:

- Reduction in hospitalization reflects one full-time employee transferring to their spouse's insurance coverage, thus eliminating the cost of one family plan to the OPC.

Outside Contractors / Services:

- The advertising and marketing recommendation has been increased for FY 2020 and FY 2021 to support an effective marketing and branding effort.
- The FY 2020 professional services budget is recommended to increase for:
 - o an education effort related to the anticipated August 2020 millage request;
 - o additional fitness and aquatics instruction time in response to increased demands (offset by increased revenue);
 - o additional enrichment & arts instruction time in response to increased demands (offset by increased revenue);

- o NOTE the above is partially offset by reductions in audit fees pursuant to a renewed contract that lowers costs, and reduced charity event services related to the change in event format.

Operating Supplies:

- All changes reflect simple inflationary adjustments.

Memberships & Travel:

- All changes reflect simple inflationary adjustments.

Maintenance & Utilities:

- The utility budget is recommended to increase to match historical pattern.

Equipment Purchases / Rentals:

- No significant changes.

Liability / Unemployment Insurance:

- No significant changes.

Other:

- No significant changes.

Contingency / Compensation Adjustment:

- The FY 2020 recommendation reflects amounts to cover any changes recommended from the compensation study, for the remaining portion of the fiscal year.
- The FY 2021 and FY 2022 recommendation reflects amounts necessary to cover a full-year's cost of any anticipated compensation study recommended changes.

FY 2020 Capital Improvement Plan

New Projects

- Sports & Aquatic Desk Countertops – carry forward request from FY 2019 to replace the countertops at the sports and aquatic desks located on the lower level of the facility. These countertops experience constant use and need to be replaced with more durable materials.
- Filter Tank Sand Change – item that is periodically required in order for the pool filters to work properly.

Equipment

- New Computers – this appropriation continues with the five (5) year plan to replace the individual computer workstations with up-to-date equipment.
- Fitness Equipment (Cardio Room, Hur weight equipment, free weights, swim blocks, badminton stands) – due to increased memberships, classes, and overall use, a number of pieces of fitness equipment are wearing out and requiring undue maintenance. The purchase of the requested new, technologically enhanced exercise equipment will reduce maintenance cost and provide a better experience for the OPC clients.
- Handicapped Accessible Bus – provision made to purchase a replacement handicapped accessible bus for the Transportation department. Current buses are in constant use and wear down quickly. PLEASE NOTE the OPC routinely applies for and received new buses from SMART, this appropriation will only be required if the OPC is unable to obtain a new bus from SMART.
- Hi-Low – purchase of a hi-low vehicle to assist in light repair and replacement in the gym, pool, and other high areas as well as other maintenance needs associated with the facility. Currently the OPC must contract with a vendor to conduct this maintenance; by obtaining hi-low equipment the current OPC staff can conduct the maintenance saving contractor expenses.
- Dining Room Chairs – this request is to replace old, worn out chairs in the OPC dining room with new chairs which are more comfortable and more durable.

FY 2023 – FY 2030

The projects listed in this column reflect *potential* capital needs over the next 10 years. It has been created to provide the OPC Board with a road map of the issues and projects that *may* have to be addressed in the next 10 years. Whether any of these projects will eventually be initiated, and when that will happen, will depend upon the condition of the current assets, the resource available, and the priorities of the OPC Board.

Rochester Hills – Oakland – Rochester Older Person’s Commission
Fiscal Year 2020 Budget Resolution

Whereas pursuant to Public Act 621 of 1978 (as amended by P.A. 493 or 2000), the Uniform Budgeting and Accounting Act for Local Governments, it is the responsibility of the Older Person’s Commission (OPC) to adopt an annual budget and work program; and

Whereas the OPC Executive Director has submitted a proposed budget as required by the Interlocal Agreement.

Now Therefore Be it Resolved

- 1) That this resolution shall be known and be cited as the “FY 2020 Older Person’s Commission Budget Resolution.”
- 2) That this budget reflects a reasonable allocation of available resources and allows for the delivery of programs and administrative activities for the OPC during Fiscal Year 2020 (October 1, 2019 – September 30, 2020).
- 3) Notice of a public hearing on the proposed budget was published on the OPC Website on June 10, 2019 and a public hearing on the proposed budget was held by the OPC Board of Directors on July 11, 2019.
- 4) The OPC Board of Directors (Board) adopts the General Fund budget for the OPC for the fiscal year beginning October 1, 2019, with total estimated revenues of \$4,414,600, planned use of fund balance of \$250,500 and expenditures of \$4,665,100.
- 5) The Board authorizes the Executive Director to transfer appropriations between cost categories as delineated in Schedule B of the budget document, in an amount up to \$10,000 or 25% of the original and/or amended budget, whichever is less.
- 6) Whenever it appears to the Executive Director or the Board that actual and probable revenues in the General Fund will be less than the estimated revenues upon which appropriations were based, the Executive Director shall present to the Board recommendations which, if adopted, will prevent expenditures from exceeding available revenues for the current fiscal year. Such recommendations shall include proposals for reducing appropriations, increasing revenues, or both.
- 7) Contingency / Use of Fund Balance – transfers will not be made from the Contingency account, nor will fund balance be used to cover expenditures without the Board approving a budget amendment and in accordance with the Board’s approved Use of Fund Balance policy.

- 8) With the approval of this resolution the OPC Board approves all expenditures and bills presented within the budget allocation as adopted, amended, or transferred as specified in #5 above, in accordance with Article V, Section 4 of the Interlocal Agreement.
- 9) All purchases of goods and services shall conform to the Board's approved Purchasing Procedures.
- 10) If any provision of this act appears to be in conflict with the Interlocal Agreement signed by the participating communities, the provisions of the Interlocal Agreement shall apply.

Motion by Jandeska. Supported by Strand.

Approved unanimously by the OPC Board on July 11, 2019
