Legislative File No: 2019-0530

**TO:** Mayor and City Council Members  
**FROM:** Scott Cope, Building Department, 248-656-4615  
**DATE:** November 18, 2019  
**SUBJECT:** Ordinance Amendment, Chapter 86, Solid Waste

**REQUEST:**

To accept for First Reading amendment to Chapter 86, Section 86-70 (1) b. "Collection Hours". The current start time for commercial trash haulers to empty solid waste containers is 6 am Monday through Friday. The amendment moves the starting time to 7 am Monday through Friday.

**BACKGROUND:**

The 6:00 am starting time for commercial and industrial trash has been in our city ordinance for many years. After hearing concerns from our residents about the early start time in retail/commercial areas, City staff surveyed other communities and found 7:00 am was a more common start time in most communities. This proposed 7 am start time for commercial and industrial trash pickup is also consistent with the current residential start time of 7:00 am.

**RECOMMENDATION:**

Staff recommends that City Council accept for First Reading the amendment to Chapter 86, Section 86-70 (1) b "Collection Hours" for the start time change for commercial and industrial trash pickup from 6 am to 7 am, Monday through Friday.
